Our latest update at Aquarius is the renovated playground. Children can play in the safe enclosed play area and have lots of fun. Last year the pool was enlarged and a new large shade umbrella added to the pool area to give it more shade.

Pambula River Mouth.

Just 5 minutes drive from Merimbula there is a sheltered family beach at the river mouth in Pambula Beach. The beach joins to the Ben Boyd National Park and several shorter walking tracks start from here.

Lookouts are placed along the tracks.

One track goes around the point towards Pambula Beach, another renovated track takes you along the Pambula River.

Ask for specific directions when you visit.
